

4' LED Vapor Proof Fixtures - 30W, 50W

INDOOR
Linear Fixture

Features and Benefits

- 30 and 50 Watt Low Power and High Performance
- Non-Corrosive (PC) Polycarbonate housing
- Stainless Steel spec grade hasps and chips
- Back KO location and End sealed Conduit openings methods
- Low power consumption
- Ceiling or wall mounted
- IP66 rated with hermetic sealing
- White Finish standard
- Assembled in USA available upon request
- Clear Lens with inside ribbing body
- Translucent white lens optional
- Electrostatic Painted Steel gear tray
- Class II driver
- Omni-directional quad element infrared sensor
- Frequency detection zero-cross relay switching
- 0-10V selectable output for low dim control
- Walk test and sensor operation LED indicator
- Direct lead wires for easy wiring connections
- 8 rotary DIP switch selectable controls modes
- 7 low dim levels changeable via Accu-Set
- Rated Lifetime: 56,000 hours
- 5 Year Warranty*
- UV, IR and Mercury-free
- Indoor/Outdoor Covered - Wet, IP65

**5 Year
Warranty**

**Reduces
Energy & Cost**

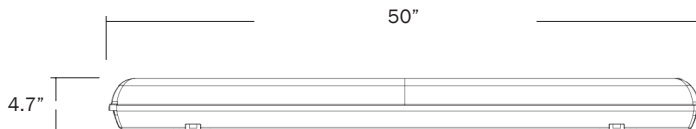

**No Lead or
Mercury**
