

Canopy TL1 - 175W HID Replacement

Features and Benefits

- 45 Watt Low Power and High Performance
- Available with Photocell/senor
- Positive cooling technology
- Heat and Shock Resistant, IP Rating: IP65
- Protective powder coating for lasting appearance
- Precision die cast aluminum housing + Prismatic lens
- Universal Voltage: 100-277V/347V/480V
- 5 Year Warranty*
- UV, IR and Mercury-free, DLC pending
- UL/CUL(E352762) -Damp and Dry Locations

**Indoor/
Outdoor**

**Reduces
Energy & Cost**

**Savings up to
60%-90%**

Part Number:	Replaces:	Wattage:	Lumens:	CRI:	Beam Angle:	Color Temperature(CCTK):
GI-CP04-3K	175W	45	3250		120°	3000K
GI-CP04-41K	175W	45	3250		120°	4100K
GI-CP04-55K	175W	45	3250		120°	5500K
GI-CP04-6K	175W	45	3250		120°	6000K

Voltage:	Operating Frequency:	Dimensions (in inches):	Indoor/ Outdoor:	Certified Installer Required:
100-277V 347V 480V	50-60 Hz	8.9" x 7.3"	Both	Yes

Applications

- Lighting Building Facades
- Parking Areas
- Walkways
- Garages
- Loading Areas
- Any other space requiring reliable safety and security

Certifications:
