

Retrofits Canopy TL1 - Non DLC

Features and Benefits

- 90 Watt Low Power and High Performance
- Patented, unique design, simple and generous appearance
- Multiple aluminum heat dissipation for good heat conduction, high brightness transparent cover.
- Warm White: 3000K - 3500K; Pure White: 6500+/-300K; Cool White: > 9000K
- Rated Lifetime: 50,000 hours
- UV, IR and Mercury-free
- UL-Dry and Damp Location

**Indoor/
Outdoor**

**Savings up to
87%**

**No Lead or
Mercury**

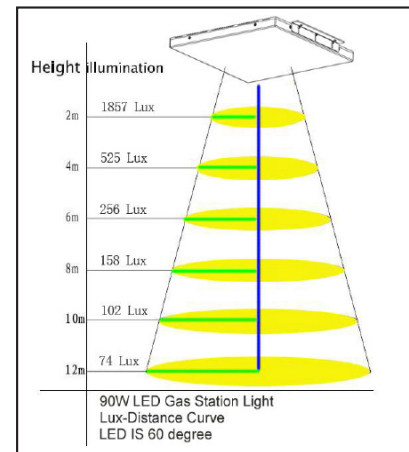

Part Number:	Replaces:	Wattage:	Lumens:	Dimensions (in inches):	Beam Angle:	CRI:	Voltage:	Color Temperature(CCTK):
ST-GS-90W-N1	600W/HID	90	7650	13.2" x 1.4"	120	≥70	85-265V,90-900VAC	4100K

Power Factor:	Operating Frequency:	Operating Temperature:	Life Hours:	Indoor/Outdoor:	Certified Installer Required:
>0.95	50/60 Hz	-30 °C to 65 °C	50,000	Both	Yes

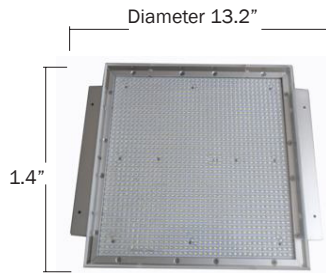

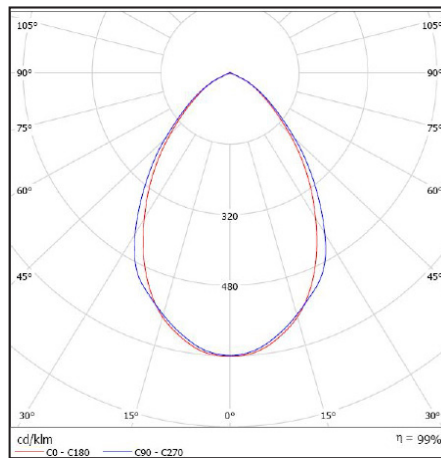

Applications

- Wide applications
- Warehouse
- Gas station
- Parks
