PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON SEPTEMBER 18, 2017

GENERAL INFORMATION

The Board of Directors (the “Board”) of Trans-Lux Corporation, a Delaware corporation (“we,” “our,” “Trans-Lux” or the “Company”), is furnishing this proxy statement for use at the 2017 Annual Meeting of Stockholders (the “2017 Annual Meeting”) to be held on Monday, September 18, 2017, and any adjournment or postponement thereof. The Annual Meeting will be held at 9:00 a.m. local time at Olshan Frome Wolosky LLP, located at 1325 Avenue of the Americas, New York, New York 10019. This proxy statement and accompanying proxy card and our 2016 Annual Report on Form 10-K (the “2016 Annual Report”) will be made available to our stockholders on or about August 29, 2017.

VOTING PROCEDURES

Who Can Vote. Record holders of our common stock, par value \$0.001 per share (the “Common Stock”) at the close of business on August 28, 2017 (the “Record Date”), are entitled to vote. At the close of business on the Record Date, 1,710,671 shares of Common Stock were issued and outstanding. Each share of Common Stock owned on the Record Date is entitled to one vote. In addition, the holders of our Series B Convertible Preferred Stock could vote an additional 330,240 votes and such votes are voted with the Common Stock on an as converted basis. There are 16,512 shares of Series B Convertible Preferred Stock issued and outstanding and each share of the Series B Convertible Preferred Stock is entitled to twenty (20) votes per share.

Quorum. A quorum will be present at the 2017 Annual Meeting if the holders of a majority of the eligible shares of Common Stock and Series B Convertible Preferred Stock entitled to vote as of the Record Date are present in person or by proxy. Shares of Common Stock and Series B Convertible Preferred Stock that are represented by a proxy marked “withhold” or “abstain” will be considered present at the 2017 Annual Meeting for purposes of determining a quorum.

How to Vote. If your shares are held in a brokerage account, by a trustee or by another nominee (typically referred to as being held in “street name”), you may receive a separate voting instruction form with this proxy statement, or you may need to contact your broker, bank or other stockholder of record to determine whether you will be able to vote electronically via the Internet or by telephone.

If you are a stockholder of record, you may vote in person at the 2017 Annual Meeting or by proxy without attending the 2017 Annual Meeting. You may vote by proxy in one of three convenient ways:

- *By mail:* sign, date and return the proxy card in the enclosed prepaid envelope;
- *By Internet:* visit the website shown on your proxy card and follow the instructions; or
- *By telephone:* call the toll-free telephone number shown on your proxy card and follow the instructions.

If you sign and return the enclosed proxy card but do not indicate your vote, the designated proxy holders will vote your shares in accordance with the recommendations of the Board as follows: “FOR” each of the nominees for election as directors; and “FOR” the ratification of the appointment of Marcum LLP as our independent registered public accounting firm. We are not aware of any other business to be acted upon at the 2017 Annual Meeting other than as set forth herein. If you grant a proxy, the persons named as proxy holders will have the discretion to vote your shares on any additional matters properly presented for a vote at the 2017 Annual Meeting.

If your shares are held in a brokerage account, by a trustee or by another nominee, you are considered the “beneficial owner” of those shares. As the beneficial owner of those shares, you have the right to direct your broker, trustee or nominee how to vote and you also are invited to attend the 2017 Annual Meeting. However, because a beneficial owner is not the stockholder of record, you may not vote these shares in person at the 2017 Annual Meeting unless you obtain a “legal proxy” from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the 2017 Annual Meeting.

Vote Required to Adopt Proposals.

- ***Proposal 1: Election of Directors.*** Directors are elected by a plurality of the votes cast at the 2017 Annual Meeting, either in person or by proxy. The three nominees receiving the greatest number of votes at this Annual Meeting will be elected to our Board, even if they receive less than a majority of such shares. Broker non-votes and abstentions will not be counted in determining the number of votes cast and will have no effect on the election of directors.
- ***Proposal 2: Ratification of Independent Registered Public Accounting Firm.*** The affirmative vote of a majority of the votes cast at the 2017 Annual Meeting, either in person or by proxy, will be required to ratify the selection of our independent registered public accounting firm at the 2017 Annual Meeting. Broker non-votes, if any, will not be counted in determining the number of votes cast and will have no effect on the approval of this proposal. Abstentions will have the effect of votes “AGAINST” this proposal.

How Your Shares Will Be Voted if You Do Not Provide Voting Instructions. If your broker holds your shares in street name, your broker, as the registered holder, must vote your shares in accordance with your instructions. If you do not provide voting instructions, your broker has the discretion to vote those shares with respect to routine proposals but not with respect to non-routine proposals. Shares for which brokers do not receive instructions, sometimes called “broker non-votes,” will be counted as present for determining a quorum at the meeting. The proposal to ratify the selection of our independent public accounting firm is considered a routine proposal and accordingly, we do not anticipate broker non-votes in this matter. Broker non-votes will not be included in determining the number of votes cast for this proposal. The proposal for the election of directors will not include broker non-votes in determining the number of votes cast for this proposal.

What to do if You Wish to Change Your Voting Instructions. If you wish to change or revoke your voting instructions after you have submitted your proxy, you may do so at any time before the proxies are voted at the 2017 Annual Meeting by:

- notifying the Acting Corporate Secretary of the Company in writing at the address on the first page of this proxy statement that you wish to revoke your proxy;
- delivering a subsequent proxy bearing a date after the date of the proxy being revoked and relating to the same shares; or
- voting in person at the 2017 Annual Meeting if you are the stockholder of record.

Please note that your attendance at the 2017 Annual Meeting will not, by itself, revoke your proxy.

If you hold your shares in “street name,” please contact your bank, broker or other nominee for instructions on how to change your voting instructions.

Householding of Proxy Materials. In an effort to reduce printing costs and postage fees, we have adopted a practice approved by the Securities and Exchange Commission (the “SEC”) called “householding.” Under this practice, stockholders who have the same address and last name will receive only one copy of our proxy materials, unless one or more of these stockholders notifies us that he or she wishes to continue receiving individual copies. Stockholders who participate in householding will continue to receive separate proxy cards. If you share an address with another stockholder, received only one set of proxy materials and would like to request a separate paper copy of these materials, please contact our Acting Corporate Secretary by mail at the address on the first page of this proxy statement, by telephone at (800) 243-5544 or by email at tdupee@trans-lux.com, and we will promptly deliver a separate copy. Stockholders sharing an address can request delivery of a single copy of

annual reports on Form 10-K and proxy statements if they are receiving multiple copies of these materials by contacting our VP of Finance by mail at the address on the first page of this proxy statement, by telephone at (800) 243-5544 or by email at tdupee@trans-lux.com.

We Will Bear Solicitation Expenses. We will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this proxy statement, the proxy and any additional solicitation materials furnished to the stockholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, we may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by telephone or other means by our directors, officers or employees. No additional compensation will be paid to these individuals for any such services.

How to Request a Copy of the Proxy Materials. For the 2017 Annual Meeting or any future annual meeting of stockholders, if you would like to request a copy of the proxy materials, including the proxy statement and form of proxy and the 2016 Annual Report, please contact our VP of Finance by mail at the address on the first page of this proxy statement, by telephone at (800) 243-5544 or by email at tdupee@trans-lux.com, and we will promptly deliver a copy to you. You may also request a paper copy of the proxy materials at www.trans-lux.com.

PROPOSAL 1

ELECTION OF DIRECTORS

Pursuant to the Company's Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws, the Board is divided into three separate classes of directors. At each Annual Meeting of Stockholders, one class of directors is elected to a term of three years. J.M. Allain, Marco M. Elser and George W. Schiele have been nominated by the Board, upon the recommendation of the Nominating Committee, for election as directors at the 2017 Annual Meeting. Those elected will serve a three-year term until the 2020 annual meeting of stockholders (the "2020 Annual Meeting") or until the election and qualification of their successors, or their earlier death, resignation or removal. All directors (other than Mr. Shi) attended the 2016 Annual Meeting of Stockholders. The Amended and Restated Certificate of Incorporation of the Company allows for the Board to consist of a minimum of five and a maximum of fifteen members.

Elser and Schiele are independent pursuant to the listing requirements of the NYSE MKT Company Guide. There are no family relationships among any of the directors, director nominees and executive officers.

Each nominee has agreed to serve if elected. If a nominee becomes unavailable for election or cannot serve, an event that we do not expect, the Board may substitute another nominee or reduce the number of nominees. The enclosed proxy will be voted for such substitute, if any, as shall be designated by the Board.

Each of the director nominees receiving a plurality of the votes cast at the 2017 Annual Meeting will be elected as a director. You may withhold votes from any or all nominees. Broker non-votes will have no effect on the result of this vote.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR EACH OF THE NOMINEES.

CORPORATE GOVERNANCE AND RELATED MATTERS

Board of Directors

Board Composition and Election of Directors

We operate under the direction of our Board. Our Board is responsible for the management of our business and affairs. Our Certificate of Incorporation provides that the number of directors may be determined pursuant to our Amended and Restated Bylaws, which provide that such number may be determined from time to time by our Board. However, under our Amended and Restated Bylaws, the Board shall consist of a minimum of five and a maximum of fifteen directors. Our directors are divided into three separate classes of directors. At each Annual Meeting of Stockholders, one class of directors is elected to a term of three years or until the election and qualification of their successors, or their earlier death, resignation or removal. There are no family relationships among any of our directors or executive officers.

Independent Directors

While the Company's Common Stock is traded on the OTCQB, the Company follows the NYSE MKT Company Guide regarding the determination of independence of the Company's directors. A director is considered independent if the Board determines that the director does not have any direct or indirect material relationship with the Company. Messrs. Allain, Shaio and Shi are employees of the Company and therefore have been determined by the Board to fall outside the definition of "independent director." Mr. Shi is a Director of Transtech, which is one of the Company's main suppliers of LED modules. Messrs. Elser, Greene, Morris, Schiele and Zizza are non-employee directors of the Company.

The Board has determined that Messrs. Greene, Morris, Schiele and Zizza are "independent directors" because they had no relationship with the Company other than their capacities as members of the Board and committees thereof. The Board has determined that Mr. Elser's voting dispositive power as investment manager of Carlisle Investments, Inc. ("Carlisle"), which has made loans to the Company, does not disqualify Mr. Elser from being considered an "independent director." The Board has determined that its two Audit Committee members, Messrs. Greene and Zizza, are "independent directors". In addition, our Board has made a subjective determination as to each independent director and independent director nominee that no relationships exist which, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our Board reviewed and discussed information provided by the directors, the director nominees and us with regard to each director and director nominee's business and personal activities and relationships as they may relate to us and to our management. In addition, our Board has concluded that each of Messrs. Greene and Zizza satisfies the heightened audit committee independence standards set forth in Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Board Committees

Our Board has established a standing Audit Committee, Compensation Committee, Executive Committee and Nominating Committee. Each committee operates under a charter approved by our Board. Copies of each committee's charter are posted on the Investor Relations section of our website at www.trans-lux.com.

Audit Committee

Our Audit Committee consists of Messrs. Greene and Zizza, with Mr. Zizza serving as chairman. Our Board has determined that Mr. Zizza is an "audit committee financial expert" as defined in applicable SEC rules. Our Audit Committee's responsibilities include:

- appointing, compensating, retaining and overseeing the work of any public accounting firm engaged by us for the purpose of preparing or issuing an audit report or performing other audit, review or attest services;
- reviewing and discussing with management and the external auditors our audited financial statements;
- considering the effectiveness of our internal control system;

- reviewing and discussing with management the Company's major financial risk exposures and steps management has taken to monitor and control such exposures and liabilities;
- establishing our policy regarding our hiring of employees or former employees of the external auditors and procedures for the receipt, retention and treatment of accounting related complaints and concerns;
- meeting independently with our external auditors and management;
- reviewing and updating the Audit Committee Charter; and
- preparing the Audit Committee report required by the proxy rules of the SEC.

Compensation Committee

Our Compensation Committee consists of Messrs. Elser, Greene and Zizza, with Mr. Greene serving as chairman. Our Compensation Committee's responsibilities include:

- providing guidance and periodic monitoring for all of our corporate compensation;
- considering the effectiveness of our employee equity programs;
- administering our stock incentive plans with respect to our executive officers and employee Board members, including the adjustment of base salary each year;
- implementing and administering our incentive compensation programs and authorizing all awards under these incentive programs;
- administering our employee benefit plans; and
- approving all perquisites, equity incentive awards, special cash payments or loans made or paid to executive officers and employee Board members and assisting the Board of Directors in succession planning for executive officers.

At the end of each fiscal year, the Compensation Committee meets to review the performance of executive officers and employee Board members subject to the short-swing profit restrictions of Section 16 of the Exchange Act under those programs and award bonuses thereunder. At that time, the Compensation Committee may also adjust base salary levels for executive officers and employee Board members subject to the short-swing profit restrictions of Section 16 of the Exchange Act and review the overall performance of our employee benefit plans. The Compensation Committee also meets when necessary to administer our stock incentive plan.

The Compensation Committee has determined and reviewed the value and forms of compensation for our named executive officers and other officers based on the committee members' knowledge and experience, competitive proxy and market compensation information and management recommendations. The Compensation Committee did not engage a compensation consulting firm in fiscal year 2016. The Compensation Committee does not delegate its authority to review, determine and recommend, as applicable, the forms and values of the various elements of compensation for executive officers and directors. The Compensation Committee does delegate to Company management the implementation and record-keeping functions related to the various elements of compensation it has approved.

Nominating Committee

Our Nominating Committee consists of Messrs. Elser, Schiele and Shaio. Our Nominating Committee's responsibilities include:

- reviewing any stockholder nominations for directors and presenting to our Board a list of individuals recommended for nomination for election to our Board at the annual meeting of stockholders;
- reviewing the disclosure included in our proxy statement regarding our director nomination process;
- reviewing the composition of each Board committee and presenting recommendations for committee memberships to our Board as needed; and

- reviewing the charter and composition of each Board committee and making recommendations to our Board for the creation of additional Board committees or the change in mandate or dissolution of Board committees.

Executive Committee

Our Executive Committee consists of Messrs. Elser, Schiele and Zizza. Messrs. Elser, Schiele and Zizza are independent, meeting the requirements of Section 952 of the Dodd-Frank Wall Street Reform and Consumer Protection Act. Each of the members of the Executive Committee qualify as “non-employee directors” for the purposes of Rule 16b-3 under the Exchange Act, and Messrs. Elser, Schiele and Zizza qualify as "outside directors" for the purposes of Section 162(m) of the Internal Revenue Code, as amended. Our Executive Committee’s responsibilities include:

- providing the President and Chief Executive Officer of the Company with a confidential sounding board for insights and advice, and to provide the Board with a more active formal interface with management and its day to day policy and actions; and
- exercising the powers and authority of the Board, subject to certain limitations set forth in the Company’s charter, during the intervals between meetings of the Board, when, based on the business needs of the Company, it is desirable for the Board to meet but the convening of a special board meeting is not warranted as determined by the Chairman of the Board.

It is the general intention that all substantive matters in the ordinary course of business be brought before the full Board for action, but the Board recognizes the need for flexibility to act on substantive matters where action may be necessary between Board meetings, which, in the opinion of the Chairman of the Board, should not be postponed until the next previously scheduled meeting of the Board.

Directors’ Attendance at Meetings

During fiscal year 2016, the Board and each of its committees held the following meetings:

- the Board held four meetings;
- the Audit Committee held four meetings;
- the Compensation Committee did not hold any meetings;
- the Nominating Committee did not hold any meetings; and
- the Executive Committee did not hold any meetings.

In fiscal year 2016, all directors attended 75% or more of meetings of the Board and committees on which they serve. The Company does not have a formal policy regarding directors’ attendance at annual stockholders meetings, but strongly encourages and prefers that directors attend regular and special Board meetings as well as the annual meeting of stockholders in person, although attendance by teleconference is considered adequate. The Company recognizes that attendance of the Board members at all meetings may not be possible and excuses absences for good cause.

Board Leadership Structure

The roles of Chairman and Chief Executive Officer are separate positions. Mr. Schiele serves as our Chairman and Mr. Allain serves as our Chief Executive Officer. We separate the roles of Chairman and Chief Executive Officer in recognition of the differences between the two roles. The Chief Executive Officer is responsible for setting our strategic direction and our day-to-day leadership and performance, while the Chairman of the Board provides guidance to the Chief Executive Officer and presides over meetings of the Board. We do not have a lead independent director.

Risk Oversight

Our Board of Directors and its Audit Committee are actively involved in risk management. Both the Board and Audit Committee regularly review the financial position of the Company and its operations, and other

relevant information, including cash management and the risks associated with the Company's financial position and operations. The Board regularly receives reports from senior management on areas of material risk to our Company, including our liquidity, operational and legal and regulatory risks. Pursuant to its charter, the Audit Committee reviews our major financial risk exposures and the steps management has taken to monitor and control such exposures, and it also meets periodically with management to discuss policies with respect to risk assessment and risk management.

Nominations for Directors

Director Qualifications

The full Board is responsible for selecting persons to fill vacancies on the Board and recommending candidates for election by the stockholders. The Board has delegated the process of considering candidates to the Nominating Committee. In evaluating director nominees, the Nominating Committee considers director nominees on the basis of, among other things, experience, expertise, skills, knowledge, integrity, understanding the Company's business and willingness to devote time and effort to Board responsibilities.

In assessing potential new directors, the Nominating Committee considers individuals from various disciplines and diverse backgrounds so that the Board has a broad diversity of experience, professions, skills and backgrounds. The Nominating Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. Our Board has no formal policy with regard to the consideration of diversity in identifying director nominees, but the Board believes that the backgrounds and qualifications of the directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. Other than the foregoing, there are no specific minimum qualifications that the Nominating Committee believes that a Committee-recommended nominee to the Board must possess, although the Nominating Committee may also consider such other factors as it may deem are in our best interests or the best interests of our stockholders. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

In its deliberations, the Nominating Committee is aware that our Board must have at least one director who qualifies as an "audit committee financial expert" as defined by SEC rules. The Nominating Committee also believes it appropriate for certain key members of our management to participate as members of the Board.

Stockholder Nominations

The Nominating Committee will evaluate any director candidates recommended by a stockholder according to the same criteria as a candidate identified by the Nominating Committee.

Any stockholder who intends to nominate a director at our 2018 Annual Meeting must notify our Acting Corporate Secretary in writing at the address set forth at the beginning of this proxy statement of such intent in a timely manner in accordance with Article 5(c) of our Amended and Restated Bylaws. In accordance with the advance notice provisions of our Amended and Restated Bylaws, to be timely, director nominations must be delivered to or mailed and received by the Acting Corporate Secretary of the Company not later than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting (or May 21, 2018). However, in the event that the date of the 2018 Annual Meeting is advanced more than 30 days prior to such anniversary date or delayed more than 60 days after such anniversary date, then to be timely such notice must be received by us on or before the later of (i) 90 days prior to the date of the meeting or (ii) the tenth day following the day on which public announcement of the date of the meeting was made. The notice must include the information specified in our Amended and Restated Bylaws.

Code of Business Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics Guidelines (the "Ethics Code") that applies specifically to board members and executive officers. The Ethics Code is designed to promote compliance with applicable laws and regulations, to promote honest and ethical conduct, including full, fair, accurate and timely disclosure in reports and communications with the public. The Ethics Code is available for viewing on the Company's website at www.trans-lux.com in the "Investor Relations" Section. Any amendments to, or waivers from, the Ethics Code will be posted on the website. In addition, the Board adopted a Whistle Blowing policy,

which provides procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls and auditing matters, as well as the confidential, anonymous submission of concerns regarding questionable accounting or auditing practices.

Stockholder Communication with the Board

The Board maintains a process for stockholders to communicate with the Board or with individual directors. Stockholders who wish to communicate with the Board or with individual directors should direct written correspondence to our Acting Corporate Secretary at our Company's headquarters located at 445 Park Avenue, Suite 2001, New York, New York 10022. Any such communication must contain:

- a representation that the stockholder is a holder of record of our capital stock;
- the name and address, as they appear on our books, of the stockholder sending such communication; and
- the class and number of shares of our capital stock that are beneficially owned by such stockholder.

The Acting Corporate Secretary will forward such communications to our Board or the specified individual director to whom the communication is directed unless such communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Acting Corporate Secretary has the authority to discard the communication or to take the appropriate legal action regarding such communication.

2016 Director Compensation

Non-Employee Director Stock Option Plan

The Board has previously established a Non-Employee Director Stock Option Plan which, as amended, covers a maximum of 1,200 shares for grant. Such options are granted for a term of six years and are priced at fair market value on the grant date. The determination as to the amount of options to be granted to directors is based on years of service, and are calculated on a yearly basis as follows: a minimum of 20 stock options are granted for each director; an additional 20 stock options are granted if a director has served for five years or more; an additional 20 stock options are granted if a director has served for ten years or more; and an additional 40 stock options are granted if a director has served for twenty years or more. Such options are exercisable at any time upon the first anniversary of the grant date. The Company grants additional stock options upon the expiration or exercise of any such option if such exercise or expiration occurs no earlier than four years after date of grant, in an amount equal to the number of options that have been exercised or that have expired. In addition to the foregoing, the Company received stockholder approval of a proposal to grant warrants to purchase 20,000 shares to each of Salvatore J. Zizza and George W. Schiele, respectively, which warrants were granted in 2013.

Our independent registered public accounting firm, Marcum LLP, is responsible for performing an independent audit of our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) (“PCAOB”) and to issue a report thereon. The Audit Committee is responsible for overseeing management’s conduct of the financial reporting process and system of internal control.

PROPOSAL 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee appointed the firm of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. The Audit Committee is asking the stockholders to ratify this appointment. The affirmative vote of a majority of the votes cast at the 2017 Annual Meeting, either in person or by proxy, is required to ratify the selection of Marcum LLP.

Stockholder ratification of the appointment of Marcum LLP as our independent registered public accounting firm is not required by our Amended and Restated Bylaws or other applicable legal requirements. However, the appointment of Marcum LLP is being submitted to the stockholders for ratification. If the stockholders fail to ratify the appointment, our Audit Committee will reconsider its selection of Marcum LLP, but will not be required to select another auditor. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it believes that such a change would be in the best interests of the Company and our stockholders.

Representatives of Marcum LLP are expected to be present at the 2017 Annual Meeting. They will have the opportunity to make a statement if they desire to do so and will also be available to respond to appropriate questions.

Change in Independent Registered Public Accounting Firm

We engaged Marcum LLP as our independent registered public accounting firm on December 8, 2015, following our dismissal of BDO USA, LLP on December 8, 2015. The dismissal of BDO USA, LLP was approved by the Audit Committee. The reports of BDO USA, LLP on our financial statements for the fiscal years ended December 31, 2014 and 2013 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles. During the fiscal years ended December 31, 2014 and 2013 and through the date of their dismissal, (i) there were no disagreements with BDO USA, LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of BDO USA, LLP, would have caused it to make reference to such disagreement in its reports and (ii) there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

Pre-Approval Policies and Procedures

Our Audit Committee must provide advance approval for all audit and non-audit services, other than *de minimis* non-audit services. Before granting any approval, the Audit Committee gives due consideration to whether approval of the proposed service will have a detrimental impact on the independence of the independent

registered public accounting firm. The full Audit Committee then serving pre-approved all services provided by Marcum LLP and BDO USA, LLP in fiscal year 2016.

The ratification of the Company's selection of Marcum LLP as the Company's independent registered public accounting firm for fiscal year 2017 requires the affirmative vote of a majority of the votes cast at the 2017 Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF MARCUM LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2017.
